

Vendors

The Tumbler Ridge Days Society and Grizfest Music Festival committee will endeavor to produce a multi-day event featuring a wide range of musical talent. Attendance projections are for more than 2500 people to visit the festival site over the two days of the festival; however, festival organizers do not guarantee numbers of patrons. This year we are offering an early bird price for vendors who submit their application before June 20.

Retail opportunities for vendors will fall into one of the following classes:

1. Artisan Booths - Sellers of handcrafted items - Artisan must be in booth.
2. Concession – Food and Beverage Sales.
3. Corporate Vendors – Any other booths than Handcrafted or Concession providing information or products for sale.

If you are interested in becoming a vendor for the weekend, please complete an application form and return to Tumbler Ridge Days Society before June 20 for Early Bird deadline or June 21 for regular registrants. Payment must accompany application to be eligible for Early Bird Registration. The Tumbler Ridge Days Society reserves the right to accept or deny an applicant without cause.

- ❖ You can enter the grounds for set-up on Friday, July 30 in the afternoon. Booth set-up is to be completed and all vehicles removed from the site by 11:00 am Saturday morning. Gates will be open to the public 12:00 pm Saturday morning.

- ❖ Vendors will be allowed to camp inside the perimeter of their booth during non-operating hours to maintain security for their own booth (1 camper per vendor booth). Arrangements must be made prior to staying overnight with the Grizfest Coordinator. This will ensure that night security knows who has permission to stay on the grounds overnight.
